

FLATLANDER'S FUN SHOWS

Flatlanders generally has between 3 and 5 fun shows each year.

These are members only functions designed to be learning experiences for both horse and rider. The fun shows are a great opportunity to ride a test or tests above your current level of showing in a very relaxed atmosphere.

They are offered at a reasonable cost to the members and are also a good opportunity to learn how a show works if you have never ridden in one. All members showing at a fun show pitch in at the show therefore helping the shows to run smoothly. There are lots of job opportunities, such as, set up, clean up, scoring, scribing, reading, etc. This is also a great way to learn the fundamentals of running a dressage show!

If you are not a current member, and would like to show, Flatlanders would respectfully request that you please get your completed membership form and fees in to the membership chair before the show you would like to attend. If you must join the day of the show, please bring a completed membership form and a separate check/cash payment for the membership fees. Neither the fun show committee members, nor the membership chair will be responsible for providing membership forms at any of the fun shows. All payment must be either check or cash for the exact amount of the membership. Please do not combine membership fees and fun show fees on one check. No one will be allowed to show without a completed membership form and paid membership fees. Current membership forms are available on this website.
