

NOTE FROM OUR PREZ

Hopefully we will soon see a hint of fall. Would you believe I had a jacket on early Friday morning in Michigan (Richland Horse Trial)? By Saturday it was back in the 90's.

The auction in Loveland that was held for Jen Baker was a huge success. The goal was \$30,000.00 and they collected \$35,000.00. The basket that Flatlander's sponsored was very popular and brought in more than the \$200.00 plus that it cost to put together. Withers and Withers Horse Treats gave us the tin for half price. Equi Spa Products also sold to us at cost as well as added a few extra items free of charge. Donna Raines picked up the cost of postage for the wine glass and Ducky Allen of "Just Ducky's" wrapped the entire thing free of charge.

There are some clinics coming up this fall. One is Charles de Kunfy,"Part II A Visual Guide to Riding Terminology". This is a NODA clinic. The date is October 22ed. More information to come.

On September 19th Kate Poulin will be giving a dressage demo at the American Gold Cup Jumper Classic held at the Metropolitan Park Polo Field in Cleveland, Ohio.

October 23rd and 24th is the "Halloween on Horseback Show" at Dancing Horse Farm in Lebanon, Ohio. This sounds like fun. Contact number is 513-933-0343.

I came across a site that might be of interest to some of you that are on line. It is called "Dressage for the Rest of Us". The blog is dressagefortherestofus.com/2010/08/24/dressage-queen.aspx. This is a little DVD created by the blog that pokes fun at the queen of the "DQ's".

See you at the meeting. For some it is a long trip but remember the times that Alison and Laurie have traveled our way.

Gael

Hi all,

Please find attached the minutes from the August meeting and the most recent Membership List.

Also, be reminded that the Sept. meeting is not the first Tues. of this month. It is the second Tues., the 14th, due to the Labor Day holiday.

The meeting will be at Alison Schmidbauer's home. The program will be for everyone to bring 2 horse related items (apparel you love, tack, tools, meds, etc.) that you use or have used that is unique, works very well, economical. You will have a limit of 5 min. to share and tell about your items.

Alison's address is: 3855 Twp. Rd. 159, Tiffin, OH 44883

I tried "Bing Maps" and "MapQuest" and her address is not recognized by either program. I am sorry, this is always the most time consuming part of the meeting notice. On the last meeting notice I received feedback from several of you that you could not open the link that I sent for directions, sorry about that, too, don't know why. If you have any questions on how to get to Alison's, please call her-- (419) 447-8870-- and she will be glad to help you out.

CU then,

Pat Boutwell
